

## Conference and cocktail reception

20th October 2021

1:30 pm to 8:00 pm

Since the start of the pandemic the ICDA has kept the chromium industry network alive hosting online webinars, conferences and releasing publications regularly.

Given the implementation of the health pass\* we are considering meeting again in the coming weeks and are inviting you to attend a networking event in Paris.

Following this event, we will be organising similar functions in major hubs (Africa, Asia, USA) until the world is freed from Covid-19.

Join us now for a conference afternoon followed by a cocktail reception, it is time to meet again!
