

Welcome New ICDA Ordinary Member!
Vishnu Chemicals - 1st November 2014

Krishna Murthy Cherukuri,
Managing Director,
Vishnu Chemicals Limited

Siddartha Cherukuri,
Whole-Time Director
Vishnu Chemicals Limited

What motivated Vishnu Chemicals to join the ICDA?

“Vishnu Chemicals Ltd has been in the business of chrome chemicals manufacturing, for more than two decades. Being a part of ICDA, perhaps an active membership will allow to keep ourselves updated on global chrome market, ICDA playing a vital role in bringing all stakeholders to a single platform and making competitors of industry as friends.

We have identified ICDA Forum as a best platform to present ourselves as a sustainable chrome chemicals producer based out of India.”

What do you expect from your ICDA Membership?

“Strengthen our relationships in the industry at all levels, identify new product developments related to chrome chemicals industry. Understand and implement higher standards of HSE for a sustainable future.”

Brief introduction of Vishnu Chemicals:

The name Vishnu Chemicals is associated with excellence, it has merged towards two decades of its existence ever since its inception in the year 1990.
