

VIRTUAL EVENT

MEMBERS' MEETING 2021

10-13th May 2021

When we hosted our first online conference last year in November, we were expecting that it would be exceptional, given the pandemic circumstances, and that we would be seeing you in real life for the ICDA Members' Meeting 2021. The third wave of Covid-19 has finally changed our plans and we are pleased to announce that an online event will be taking place instead. We are staying optimistic for the future and look forward to seeing you very soon.
