

ONLINE EVENT
CHROMIUM 2021

Adaptability is the key to success

22nd – 25th November 2021

The pandemic has reshaped the world, how will we adapt, what is shaping the world beyond COVID-19, what will recovery look like, what lessons have we learnt?

Our online conference will see invited speakers try and answer these difficult questions

SUSTAINABILITY AND DECARBONISATION ARE NON-NEGOTIABLE OPTIONS FOR BUSINESS.

WHY IS CLIMATE CHANGE FUELLING AN UNPRECEDENTED ENERGY CRISIS GLOBALLY?

THE BUSINESS ECOSYSTEM HAS CHANGED, DIGITALISATION, SUSTAINABILITY AND RESPONSIBLE PRACTICES ARE GAINING MOMENTUM.

BUILDING A RESILIENT SUPPLY CHAIN IS THE MOST DIFFICULT TASK EVER AMIDST FAST CHANGING RULES, PANDEMIC RISK, TRADE BARRIERS, GEOPOLITICAL TENSIONS, AND SHIPPING DISRUPTION.

INCREASINGLY TENSE US-CHINA RELATIONS, COLD WAR OR MILITARY CONFLICT RISK? IMPACT ON THE GLOBAL ECONOMY.

HOW RESILIENT ARE CHROMIUM MARKETS AND WHAT ARE THE REGIONAL STRATEGIES TO PROTECT THE BUSINESS AMIDST REGULATORY PRESSURE, CLIMATE CHANGE GOALS, SYSTEMIC DIFFICULTIES, AND THREAT OF REGIONAL PROTECTIONISM?

The event will provide you with excellent online networking opportunities
