

# RESPONSIBLE CHROMIUM

ACTING NOW  
FOR TOMORROW

## THE RESPONSIBLE CHROMIUM MEMBERSHIP

We are proud to announce that 12 of the ICDA Members have received the Responsible Chromium recognition. In addition to committing to the association's antitrust rules and code of conduct, these companies have been successfully evaluated by an independent ESG rating agency. Congratulations these ICDA members for going above and beyond the standard requirement.

DCX CHROME SAS
